2Way is a walkalong only system for light to medium curtains, ideal for perimeter tracks and curved in-house.

Black anodised 2Way curved track section with a 1.00 m radius (on the centre line) x 90 degrees to form a right angled section. Each curve will come with 600 mm of straight track on both sides.

The continuous tee slot in the top of the track accepts our M8 Erail and 2Way nuts which can be inserted anywhere along the track for attaching suspension fittings.

The track is also available in a Silver finish (2W0206).
