

2Way Ceiling Mounting Clips

Technical Details

Part No: 2W1702

Weight: 0.087 kg (10 clips)

WLL: N/A

Material: Mild Steel

Finish: Zinc plated

These clips are used to attach 2Way track systems directly to a ceiling or soffit. One end is formed to locate into the side channel of the 2Way track, the other has a hole to accept a wood screw. The clips are sold in bags of 5 pairs (10 clips).

We recommend spacing the ceiling clips at 1.0 m or 3.28 foot centres.
