

Erail 0.50 m Radius x 90 deg curved track

Technical Details

Part No: ERL0103

Weight: 1.630 kg

WLL: See Triple E WLL Sheet

Material: Aluminium Extrusion

Finish: Black Anodised

Erail is a walkalong or corded track for light to medium duty curtains. It can be motorised with an SDrive motor and is curved in-house.

Black anodised Erail curved track section with a 0.50 m radius (on the centre line) x 90 degrees to form a right angled section. Each curve will come with 600 mm of straight track on both sides.

The continuous tee slot in the top of the track accepts our M8 Erail and 2Way nuts which can be inserted anywhere along the track for attaching suspension fittings.
