Erail is a walkalong or corded track for light to medium duty curtains. It can be motorised with an SDrive motor and is curved in-house.

Erail is an 'I' form Aluminium track and the extrusion is stocked in 6.1 m (20 feet) lengths but can be supplied in cut lengths as required. The maximum permissible length for UK shipping is 3.05 m (10 feet).

The continuous tee slot in the top of the track accepts our M8 Erail and 2Way nuts which can be inserted anywhere along the track for attaching suspension fittings.

The track is also available in a Black finish (ERL0101).
