

Erail Overlap Clip

Technical Details

Part No: ERL2601

Weight: 0.167 kg

WLL: N/A

Material: Mild Steel

Finish: Black Powder Coated

This Overlap Clip is always used in pairs on both straight and curved tracks to create an offset between the tracks of 80 mm. They ensure that the overlap track sections are rigid. They can also be used to offset parallel tracks by 80 mm with the centre hole acting as a suspension point for both tracks.
