

# UniBeam Joint Set

## Technical Details

**Part No:** UBM0501

**Weight:** 1.089 kg

**WLL:** N/A

**Material:** Mild Steel

**Finish:** Bright Zinc Plated

The UBM0501 is a bright zinc plated joint set and is used to connect two adjoining sections of track together. It comprises of two clamp plates designed to have a close fit inside the width of the channel grooves. Four 10 mm set screws (located in each plate) lock the two separate track sections together.
