

UniTrack / UniBeam

Master Runner with limit striker - Straight Systems

Technical Details

Part No: TRA0705

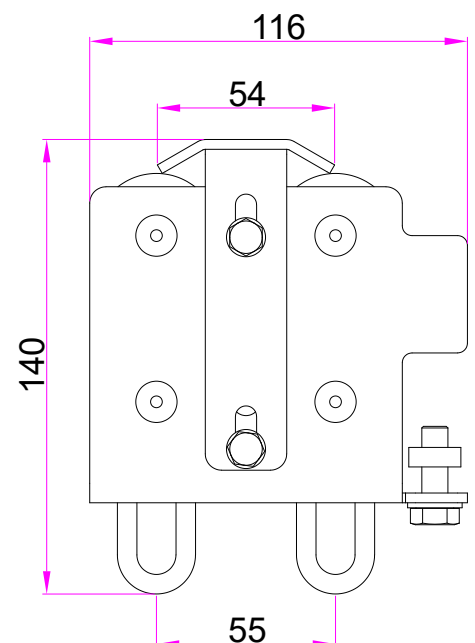

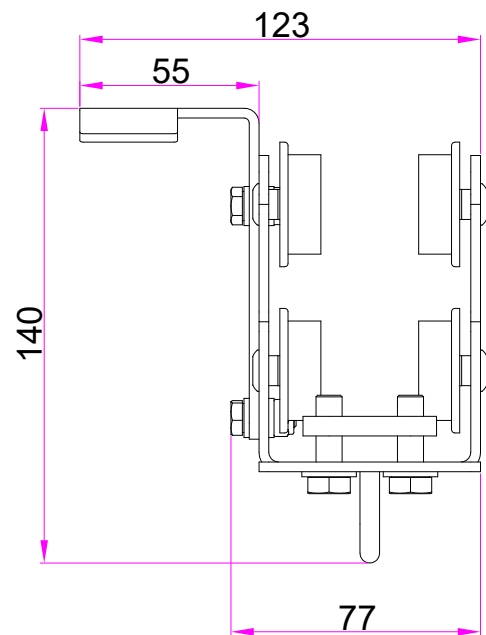

Weight: 0.957 kg

WLL: 50 kg

Material: Mild Steel & Polyurethane

Finish: Black Powder Coated

The TRA0705 is a Master runner with limit striker for use on motorised straight UniTrack and UniBeam systems. As the runner travels along the track, the limit striker makes contact with the limit switch which sends a command to the motor to stop. The carrier has a Safe Working Load of 50 kg. Two metal loops are placed 55 mm apart for attaching the leading edge of curtains
