

# UniTrack / UniBeam Scenery

## Carrier HD with Brake

### Technical Details

**Part No:** TRA2803

**Weight:** 2.737 kg

**WLL:** 125 kg

**Material:** Mild Steel & Polyurethane

**Finish:** Black Powder Coated

A variant of the TRA2802 Scenery Carrier designed for use with UniTrack or UniBeam stage track, the TRA2803 is equipped with a brake mechanism for fixing the position of the carriers on any non-corded system. The brake mechanism has been re-designed to be much more effective, solid enough to be used on cruise ships, and easier to operate as it only takes one turn to lock into place.

Operating Pole sold separately - Part No: T84250.
